2016 Theme: Crossing and Closing the Gap: Nursing Then & Now

Call for 2016 Abstracts for Poster Presentations

Are you aware that poster presentations are considered evidence of your scholarly accomplishments, just like publications, podium presentations, book authorship, and research?

- Be proud to showcase your research, evidence-based practice, quality improvement, or educational projects to our alumni
- You may also present literature reviews or results of your community/professional services.
- You can likewise present your project proposals
- The topic does not need to be related to our 2016 theme and all presenters do not need to be UP Nursing Alumni

Submit your abstract on or before July 15, 2016

- The abstract should be between 80-150 words, excluding references.
- One behavioral objective should be identified.
- The primary author will be notified via e-mail. Final acceptance will require that you sign the faculty disclosure form and submit your CV.
- Presenters are responsible for setting up and taking down posters at designated times. Posters may be mounted on the wall or on 3' x 4' (36 x 48 inches) freestanding display board.
