UPNAAI'S STAND ON COVID-19 GLOBAL PANDEMIC

Dear UPNAAI members, families, associates, and friends,

Concern over the spread of COVID-19 is rising as new cases are being identified in the United States and a large number of countries around the world.

Here at UPNAAI, your safety will be our top priority and you will be informed as new developments arise through email and upnaai.org.

In the meantime, please observe social distancing and practise proper hand hygiene which are crucial in slowing down the spread of COVID-19. Our individual initiatives of such practices will prevent overwhelming the healthcare system.

For more information please go to the following links:
